

# Dartford is doing something special for Autism Awareness in April 2017!

## Permission Slip

Together with Cllr Mandy Garford, local artist Stephen Oliver will be hosting an art exhibition in his Gallery in Dartford with the subject of Autism as the theme! We welcome expressions of autism from any of the local children ages 3-18 on the autism spectrum!

Your child may want to submit a piece of artwork but we would just ask that you would sign this permission slip allowing your child's work to be displayed, if selected, in Stephen Oliver's Gallery in the Orchards Centre, or on photographs, video clips that may be used for promotional purposes to promote autism awareness in Dartford.

Your support is appreciated.

Many thanks.
